*SUN VALLEY IDAHO...  
Where Destination Skiing  
Was Born!*

Torchlight parade

Welcome to the birthplace of destination skiing. With more than 3,400 vertical feet and over 2,000 acres of varied terrain, Sun Valley offers skiers and boarders something special on not just one mountain, but two.

**Bald Mountain's (Baldy)** consistent pitch, lack of lift lines and variety of terrain have earned it a reputation as one of the world's finest ski mountains. Baldy, which earned its nomenclature after several forest fires, offers intermediate and expert skiers and snowboarders more challenging terrain, including perfectly spaced glades and wide-open bowl skiing. Thirteen chairlifts and 65 varied runs await skiers and boarders on both sides of Baldy. Adding to the Baldy adventure are themed Adventure Trails for kids, with 30 acres of glade ski and boarding terrain for all. Sun Valley also offers tree skiing for advanced riders.

Meanwhile, **Dollar Mountain** is the perfect place to get introduced to downhill sports and features two new high-speed quads, a full-featured terrain park with 76 rails and the Wundercarpet, an effortless uphill transporter.

There are several adventure trails - "The Flume" is a fun-filled adventure through a natural "flume-like" path - essentially a "swale" carved into the terrain. It is recommended for only the advanced riders/skiers. On the other end you can try the "Red-Headed Wood Pecker Trail" on a fun tour through the Lodge Pole Pines. It's a great way for kids to explore the wooded mountain areas. "Foxy Forest" is for the young skier/rider wanting to explore the lightly forested area adjacent to the Upper Can Can Ski Run.

Sun Valley is a complete walking village, where automobiles are unnecessary. Condominium units are located within easy walking distance of the Sun Valley Village, but complimentary bus service is also available. The Mountain Rides Transportation Authority system provides free transportation in Ketchum and Sun Valley, including continuous round trips from the Village to both Dollar and Bald Mountains and to the town of Ketchum and Elkhorn Springs.

**Lodging:**

We have reservations in 2-bedroom and 3-bedroom [Sun Valley Deluxe Apartments](#) (condominiums). Each condo each has a gas fireplace, a living room with plush sofas and chairs, a large flat screen TV, free WiFi, a fully-equipped kitchen, plus a dining table that seats six. They are located in the heart of Sun Valley adjacent to the Sun Valley Lodge, with all the privileges. Catch an ice show, take a dip in the heated pool/hot tub/sauna (community), or roll some balls down the lanes at the Lodge's own bowling alley. Other desirable features accessible at the Lodge include access to a full-service salon and spa, and a state-of-the-art fitness center.

There are a myriad of retail stores, restaurants and services in the Village, all reachable in under 10 minutes by foot.
