Trip Leader: Your name here!!

They don't call it Mammoth for nothin'!

The Mountain:

The tallest mountain in California, and the highest ski resort with a top elevation of **11,053'**, and base elevation of **7,953'**, a plus for the snow quality. This also allows for fantastic views for 100s of miles across the Eastern Sierras. Annual snowfall of **353** inches, and 300+ days of sunshine!

The Skiing:

The terrain at Mammoth is huge with over **3,500** acres, with **163** trails of skiing and snowboarding, making it one of the largest ski resorts in California. There is an extensive system of **31** lifts to whisk you up the mountain, including **9** high speed quads, **2** high speed six-packs, and **3** high speed gondolas.
