

## **President's Message**

Welcome to the Clear Lake Area Ski Club (CLASC) website. CLASC is not only a snow skiing club; we also have exciting excursions and social activities for all. This past October CLASC members enjoyed an excursion to Patagonia in the Chile and Argentina area. And in October 2019 a full contingent of members will travel to Portugal for a seven day river cruise on the Douro River. Spring of 2019, all of the members of the Texas Ski Council will meet in Austin for our annual Bid fest. We will decide on our 2020 - 21 ski trips and excursions. As a member for more than 25 years, I've had the privilege to ski at more than 20 resorts and participate in excursions to the Middle East, the Galapagos' Islands, and South Africa. For those ending their work careers, CLASC is the perfect opportunity to socialize with other's who dive, cycle, and golf and of course, ski. Please visit us at one of our monthly meetings held at South Shore Harbour Country Club or send us an email at [clascskiers@gmail.com](mailto:clascskiers@gmail.com). See our calendar for meeting details.

Sincerely,  
Ken Stuchly
