1. Single male needed for the CLASC Snowmass trip Jan 9 – 16

Due to an unexpected cancellation we have an opening for one single male on our Snowmass trip (TSC Traditional) from Jan 9 – 16, 2016. Join co-leaders Doodie Taylor and Dallas Ives plus 17 of your other CLASC friends for a great trip. We will be flying from Hobby to Denver on Southwest and busing from there. Lodging is in the Interlude 2-bedroom ski-in/ski-out condos on the Snowmass slopes. See the attached flyer for details and prices.

If interested email Doodie dejtaylor@comcast.net and Dallas iveskd@comcast.net for more information, or call Dallas at 281-532-1100.

2. Total closure of I-45 southbound from FM2351 to Bay Area Blvd this weekend.

The southbound lanes will be closed continuously from 8:00 pm Friday, Oct 30, until 5:00 am Monday, Nov 2. The closure could have a significant impact on traffic in the Houston metropolitan area. All closures are subject to cancellation due to adverse weather. For information, call the Public Information Office at (713) 802-5076
