CLASC Members and Friends,

Many of you have expressed interest in doing another Cruise and Bike adventure trip. The destination that has been mentioned for 2018 is Croatia. We have a couple of options being considered, but we need to get a real feel for the level of interest.

**If you are seriously interested in a Cruise and Bike trip to Croatia for summer 2018, please reply by noon, Monday, Aug 7. Let me know how many people.**

**Option #1: SnowTours and Katarina Lines**

Roundtrip cruise from Trogir, Croatia (The airport is in Split)

Prices are based on current Euro exchange, per person, double occupancy, based on 24 passengers, not including air:

Bike rental for the week, regular: \$140, E-bike: \$190

Will be a boat with 32 cabins (~60 people). I do not have details on pricing, but expect it to be higher, based on the bid that was presented to the TSC, but includes tours of two national parks.
