3. Change to the CLASC By-Laws

Discussion: There are times during the year that the CLASC board does not have a great deal of business to discuss at the monthly board meeting. However, the current By-Laws, Article 3.1, state: "... The Board shall meet monthly. .."

The proposed change is to:

"The Board shall hold a minimum of six physical meetings during a fiscal year, at a time and place designated by the President."

While it certainly likely that the board will meet more than six times a year, whether physically or by telecon, we are setting that as a minimum.

Per the By-Laws, Article 11.1, the process for this amendment is:

- a. A motion was made and seconded at the January Membership meeting.
- b. This Bulletin constitutes publication of this proposed change to the Membership.
- c. Discussion and a vote will be held at the February 8 Membership meeting.
- e. Amendment adoption requires a 2/3 vote of approval of the membership present.

If you would like to get in your 'two cents', and cannot attend the February meeting, please contact President Ken Stuchly, kenclasc@comcast.net
