

## Beaver Creek Trip January 13 – 20, 2024

Eight CLASC participants spent a week in the snow at Beaver Creek, Colorado, for the TSC Traditional Trip.

Air seats for most of the group were direct into Eagle/Vail airport, with a delightfully short bus ride to Beaver. Lodging was at The Charter in 2-bed, 2-bath condos.

It was cold and snowy!! Warm down coats and low-light lenses were the go-to for the week. A few peaks of sunshine on Monday and Tuesday provided for better skiing and nice views.

Several people who had never been to Beaver Creek before initially found navigating around to be a little confusing, but eventually figured it out. Even though Vail Resorts wants everyone to use their Epic App Map, most people still want paper!

Ray and Jenny managed to find several of the great places to eat!

TSC Race day was Wednesday, in the snow.

Three CLASC racers skied. Three CLASC racers took the podium!!

Jenny took 1<sup>st</sup> place in her age group, with a Silver medal!  
Ray took 3<sup>rd</sup> place in his group, with a Gold medal!  
Anne took 3<sup>rd</sup> place in her group, with a Bronze medal!

Comment from Anne: I think racing was fun, a bit of an adrenaline rush! Anyway, "It's not the winning but the taking part," they say. Of course, winning is good, too!
