Visit St. Mary's Church, the largest Gothic church in Poland. Then travel to Sopot for a walk along the longest pier in Europe. Your journey continues to Gdynia, whose harbor is home to many ships open to the public. The destroyer Blyskawica is a national treasure and the only remaining ship built before World War II, and the Dar Pomorza is a Polish sailing frigate now preserved as a museum ship. Return to the hotel in Gdansk after a day of exploration. (B) Overnight: **Gdansk**

### **DAY 4, Mon, 9/15: Gdansk – Malbork – Warsaw**

The day begins as you travel to Malbork to visit the Castle of the Teutonic Knights, a mighty Gothic fortress built in the 13th and 14th centuries and a UNESCO World Heritage Site. An outstanding example of medieval defensive and residential architecture, the area consists of three castles surrounded by separate fortifications. After exploration of the castle, continue on to Warsaw, the largest city in Poland. Dinner is included this evening. (B,D) Overnight: **Warsaw**

Pass St. John's Cathedral and visit the Royal Castle faithfully restored to its pre-World War II splendor and retaining many of its original furnishings. Formerly the official residence of Poland's kings and home of the Parliament, it now houses the Castle Museum. During the visit to the Warsaw Rising Museum, an architectural monument from the early 20th century, see how the interior multimedia effects bring the reality of the insurgence to life. Lakes, pavilions, mansions, an Observatory, the Orangery, formal manicured gardens, and a multitude of palaces await your discovery during the visit to Łazienki Park. The statue of Frederic Chopin, built to honor Warsaw's favorite son, is another highlight in the park. After a full day of touring, the evening is yours to experience Warsaw on your own. The miraculous icon of Our Lady of Częstochowa is housed in the Chapel of the Black Madonna. For centuries, the Polish people have believed that this reverent painting holds supernatural powers. Check into the hotel in Kraków and enjoy an evening at leisure. (B, L) Overnight: **Kraków**

### **DAY 7, Thur, 9/18: Kraków**

Kraków is the former capital of Poland, the home of the late Pope John Paul II and the only major city in Poland to remain unscathed by World War II. See the Market Square, the biggest in Europe, which is home to Cloth Hall - the world's oldest 'shopping mall'. Visit St. Mary's Church where the fireman trumpeter plays the Kraków Hejnal (bugle call) daily at noon. Wawel Castle, coronation site of Polish monarchs, perched atop a hill, overlooks the Vistula River. As you visit Wawel Cathedral, get up close to the Sigismund Bell, the largest bell in Poland, and enjoy a wonderful view of the Old Town from the tower. This afternoon enjoy an included visit to the Wieliczka Salt Mine, another UNESCO World Heritage Site and one of the most famous attractions near Kraków. Walk through 20 chambers on three underground levels to explore the amazing grottoes of crystalline carvings, the subterranean lake with stunning colors and the Chapel of St. Kinga, an impressive "cathedral" with every feature carved out of solid salt (B) Overnight: **Kraków**

### **DAY 8, Fri, 9/19: Auschwitz/ Kazimierz**

Today's journey takes you to the Auschwitz-Birkenau Concentration Camp Museum of Martyrdom. This afternoon, visit the Kazimierz District which showcases the historic center of Jewish culture since the 16th century. The main attractions of the district are Szeroka Street (where Schindler's List was filmed); Isaac, High and Old Synagogues; Remu'h Synagogue and its cemetery and the "Pod Orlem" (Eagle) Pharmacy.
